**Anniston Museum of Natural History** offers members the opportunity to visit seven different areas of the vast world under one roof! From exploring a replica cave, to coming face-to-face with spectacular animals in life-like natural settings, to examine two Egyptian mummies, members can explore the world in one day! Members can also enjoy a variety of educational and fun programs and events throughout the year!

**Berman Museum** offers members the chance to explore history through four permanent exhibit halls. Members discover how the American West was settled, admire the deadly beauties of the world, learn about the Chinese dynasties through art and pottery, and experience the somber events of World War I, World War II, and Pearl Harbor. Members will get a glimpse of some of the most impactful moments in history.

**Longleaf Botanical Gardens** offers members the experience of the ever-changing nature of Alabama. Members receive discounted rates to workshops and programs including the Garden's monthly **Third Thursday** program.
